But it was"-she shrugged- "warm, friendly.., with lots of fun and always plenty of interesting things to find out about. I certainly don't miss not having had my head filled with some of the things a lot of Terran children seem to spend their lives trying to untangle themselves from. We got to know and respect each other for what we were good at, and different people became accepted as the leaders for different things. After a short silence Sirocco tensed suddenly. "Here they come. . . just two of them with a sergeant," he whispered. "Get ready. There are two guys talking by the coffee dispenser.
