And this ebook is had to read, sometimes detail by detail, so it could be ideal for you and your life. 73. Mohammed el Amin and Jaafer ben el Hadi dclvii. Therewith Nuzhet el Fuad rejoiced and said, "Indeed, this is an excellent device." [Then Aboulhusn stretched himself out] forthright and she shut his eyes and tied his feet and covered him with the kerchief and did what [else] her lord had bidden her; after which

she rent her dress and uncovering her head, let down her hair and went in to the Lady Zubeideh, crying out and weeping, When the princess saw her in this case, she said to her, "What plight is this [in which I see thee]? What is thy story and what maketh thee weep?" And Nuzhet el Fuad answered, weeping and crying out the while, "O my lady, may thy head live and mayst thou survive Aboulhusn el Khelia! For he is dead." The Lady Zubeideh mourned for him and said, "Alas for Aboulhusn el Khelia!" And she wept for him awhile. Then she bade her treasurers give Nuzhet el Fuad a hundred dinars and a piece of silk and said to her, "O Nuzhet el Fuad, go, lay him out and carry him forth." Then she wept and the old woman with her and the latter went up to Aboulhusn and uncovering his face, saw his eyes bound and swollen for the binding. So she covered him again and said, "Indeed, O Nuzhet el Fuad, thou art afflicted in Aboulhusn!" Then she condoled with her and going out from her, ran without ceasing till she came in to the Lady Zubeideh and related to her the story; and the princess said to her, laughing, "Tell it over again to the Khalif, who maketh me out scant of wit and lacking of religion, and to this ill-omened slave, who presumeth to contradict me." Quoth Mesrour, "This old woman lieth; for I saw Aboulhusn well and Nuzhet el Fuad it was who lay dead." "It is thou that liest," rejoined the stewardess, "and wouldst fain sow discord between the Khalif and the Lady Zubeideh." And he said, "None lieth but thou, O old woman of ill-omen, and thy lady believeth thee, and she doteth." Whereupon the Lady Zubeideh cried out at him, and indeed she was enraged at him and at his speech and wept. When the Khalif heard these his verses, he was moved to exceeding delight and taking the cup, drank it off, and they ceased not to drink and carouse till the wine rose to their heads. Then said Aboulhusn to the Khalif, "O boon-companion mine, of a truth I am perplexed concerning my affair, for meseemed I was Commander of the Faithful and ruled and gave gifts and largesse, and in very deed, O my brother, it was not a dream." "These were the delusions of sleep," answered the Khalif and crumbling a piece of henbane into the cup, said to him, "By my life, do thou drink this cup." And Aboulhusn said, "Surely I will drink it from thy hand." Then he took the cup from the Khalif's hand and drank it off, and no sooner had it settled in his belly than his head forewent his feet [and he fell down senseless]. He gave not over going and the journey was pleasant to him, till they came to a goodly land, abounding in birds and wild beasts, whereupon El Abbas started a gazelle and shot it with an arrow. Then he dismounted and cutting its throat, said to his servant, "Alight thou and skin it and carry it to the water." Aamir answered him [with "Hearkening and obedience"] and going down to the water, kindled a fire and roasted the gazelle's flesh. Then they ate their fill and drank of the water, after which they mounted again and fared on diligently, and Aamir still unknowing whither El Abbas was minded to go. So he said to him, "O my lord, I conjure thee by God the Great, wilt thou not tell me whither thou intendest?" El Abbas looked at him and made answer with the following verses: Thereupon the king went in to his mother and questioned her of his father, and she told him that me king her husband was weak; (211) 'wherefore,' quoth she, 'I feared for the kingdom, lest it pass away, after his death; so I took to my bed a young man, a baker, and conceived by him [and bore a son]; and the kingship came into the hand of my son, to wit, thyself.' So the king returned to the old man and said to him, 'I am indeed the son of a baker; so do thou expound to me the means whereby thou knewest me for this.' Quoth the other, 'I knew that, hadst thou been a king's son, thou wouldst have given largesse of things of price, such as rubies [and the like]; and wert thou the son of a Cadi, thou hadst given largesse of a dirhem or two dirhems, and wert thou the son of a merchant, thou hadst given wealth galore. But I saw that thou guerdonest me not but with cakes of bread [and other victual], wherefore I knew that thou wast the son of a baker.' Quoth the king, 'Thou hast hit the mark.' And he gave him wealth galore and advanced him to high estate." Awhile after this, there came two merchants to the king with two pearls of price and each of them avouched that his pearl was worth a thousand dinars, but there was none who availed to value them. Then said the cook, 'God prosper the king! Verily, the old man whom I bought avouched that he knew the quintessence of jewels and that he was skilled in cookery. We have made proof of him in cookery and have found him the skilfullest of men; and now, if we send after him and prove him on jewels, [the truth or falsehood of] his pretension will be made manifest to us.' ? ? ? ? ?

b. Story of the Enchanted Youth vii 3. The Porter and the Three Ladies of Baghdad ix. The news came to the rest of the kings; so they [flew after him and] overtaking him, found him full of trouble and fear, with fire issuing from his nostrils, and said to him, 'O Sheikh Aboutawaif, what is to do?' Quoth he, 'Know that Meimoun hath carried off Tuhfeh from my palace and outraged mine honour.' When they heard this, they said, 'There is no power and no virtue but in God the Most High, the Supreme! By Allah, he hath ventured upon a grave matter and indeed he destroyeth himself and his people!' Then the Sheikh Iblis gave not over flying till he fell in with the tribes of the Jinn, and there gathered themselves together unto him much people, none may tell the tale of them save God the Most High. So they came to the Fortress of Copper and the Citadel of Lead, (238) and the people of the strongholds saw the tribes of the Jinn issuing from every steep mountain-pass and said, 'What is to do?' Then Iblis went in to King Es Shisban and acquainted him with that which had befallen, whereupon quoth he, 'May God destroy Meimoun and his folk! He thinketh to possess Tuhfeh, and she is become queen of the Jinn! But have patience till we contrive that which befitteth in the matter of Tuhfeh.' Quoth Iblis, 'And what befitteth it to do?' And Es Shisban said, 'We will fall upon him and slay him and his people with the sword.' Haroun er Reshid and the Woman of the Barmecides, i. 57..? ? ? ? ? The raven of parting croaks loud at our door; Alas, for our raven cleaves fast to us aye! 108. Ali ben Tahir and the Girl Mounis cccxxiv. Now it chanced that a camel-driver, belonging to Kisra the king, lost certain camels and the king threatened him, if he found them not, that he would slay him. So he set out and plunged into the deserts till he came to the place where the damsel was and seeing her standing praying, waited till she had made an end of her prayer, when he went up to her and saluted her, saying, 'Who art thou?' Quoth she, 'I am a handmaid of God.' 'What dost thou in this desolate place?' asked he, and she said, 'I serve God the Most High.' When he saw her beauty and grace, he said to her, 'Harkye! Do thou take me to husband and I will be tenderly solicitous over thee and use thee with exceeding compassion and I will further thee in obedience to God the Most High.' But she answered, saying, 'I have no need of marriage and I desire to abide here [alone] with my Lord and His service; but, if thou wouldst deal compassionately with me and further me in the obedience of God the Most High, carry me to a place where there is water and thou wilt have done me a kindness.' 34. The City of Irem dxxxviii. Then he could brook this no longer; so he went forth from the dominions of the Commander of the Faithful, under pretence of visiting certain of his kinsmen, and took with him servant nor companion, neither acquainted any with his intent, but betook himself to the road and fared on into the desert and the sandwastes, knowing not whither he went. After awhile, he fell in with travellers intending for the land of Hind [and journeyed with them]. When he came thither, he lighted down [in a city of the cities of the land and took up his abode] in one of the lodging-places; and there he abode a while of days, tasting not food neither solacing himself with the delight of sleep; nor was this for lack of dirhems or dinars, but for that his mind was occupied with musing upon [the reverses of] destiny and bemoaning himself for that the revolving sphere had turned against

him and the days had decreed unto him the disfavour of our lord the Imam. (160).? ? ? ? ? ? ? ? ? Behold, my loved ones all are ta'en from me away..Now this island is under the Equinoctial line; its night is still twelve hours and its day the like. Its length is fourscore parasangs and its breadth thirty, and it is a great island, stretching between a lofty mountain and a deep valley. This mountain is visible at a distance of three days' journey and therein are various kinds of jacinths and other precious stones and metals of all kinds and all manner spice-trees, and its soil is of emery, wherewith jewels are wrought. In its streams are diamonds, and pearls are in its rivers. (208) I ascended to its summit and diverted myself by viewing all the marvels therein, which are such as beggar description; after which I returned to the king and sought of him permission to return to my own country. He gave me leave, after great pressure, and bestowed on me abundant largesse from his treasures. Moreover, he gave me a present and a sealed letter and said to me, 'Carry this to the Khalif Haroun er Reshid and salute him for us with abundant salutation.' And I said, 'I hear and obey.' So she arose and tearing her clothes, went in to the king, in the presence of the viziers, and cast herself upon him, saying, "O king, falleth my shame not upon thee and fearest thou not reproach? Indeed, this is not of the behoof of kings that their jealousy over their women should be thus [aggard]. Thou art heedless and all the folk of the realm prate of thee, men and women. So either slay him, that the talk may be cut off, or slay me, if thy soul will not consent to his slaughter." Thereupon the king's wrath waxed hot and he said to her, "I have no pleasure in his continuance [on life] and needs must I slay him this day. So return to thy house and comfort thy heart." A certain thief was a [cunning] workman and used not to steal aught, till he had spent all that was with him; moreover, he stole not from his neighbours, neither companied with any of the thieves, lest some one should come to know him and his case get wind. On this wise he abode a great while, in flourishing case, and his secret was concealed, till God the Most High decreed that he broke in upon a poor man, deeming that he was rich. When he entered the house, he found nought, whereat he was wroth, and necessity prompted him to wake the man, who was asleep with his wife. So he aroused him and said to him, 'Show me thy treasure.' It is related that Ibn es Semmak (162) went in one day to Er Reshid and the Khalif, being athirst, called for drink. So his cup was brought him, and when he took it, Ibn es Semmak said to him, "Softly, O Commander of the Faithful! If thou wert denied this draught, with what wouldst thou buy it?" "With the half of my kingdom," answered the Khalif; and Ibn es Semmak said, "Drink and God prosper it to thee!" Then, when he had drunken, he said to him, "If thou wert denied the going forth of the draught from thy body, with what wouldst thou buy its issue?" "With the whole of my kingdom," answered Er Reshid: and Ibn es Semmak said, "O Commander of the Faithful, verily, a kingdom that weigheth not in the balance against a draught [of water] or a voiding of urine is not worth the striving for." And Haroun wept..74. The Simpleton and the Sharper ccclxxxviii
