"There's been one in the Battle Module," Brad told. him, sounding out of breath. "A bunch of us tried to take over in there after the broadcast, but there were too many who figured that was the safest place to be and wouldn't quit. It was all we could do to get out." Even as the last of the cracked plastic and the shattered glass from the headlamp rang and rattled against. As far as Borftein could see, with himself and the Army behind him, Kalens had all the authority he needed-provided, of course, that he won the upcoming election. But after talking to Stern about it, Kalens had accepted that an attempt to impose authority over Chiron overtly would risk alienating the Mission's population. A more subtle approach was called for. "Ultimately, human instincts cling to the known and the familiar," Kalens lectured Borftein later. "A visible commitment to lawfulness as a alternative to the lawlessness of this planet is the way to maintain cohesiveness. We can't afford to jeopardize that." So Borftein had -agreed to try playing the game their way, which hinged upon provisions written into the laws to take account of the abnormal
